

Industrial Maintenance Training Classes

BeckyK, Tuesday 06 June 2017 - 14:41:37

Industrial Maintenance Training:

Would you like to develop skills that would lead to new employment or enhance your current employment?
Or would you like to change your career pathway?
Contact John Jay Center for Learning at 260.729.5525 for more information or to schedule a tour of the lower level to view all of the equipment available for training labs.
Visit: <http://maintenance.jjcl.net/>

Note:

VA Approves Certifications

Are you a Veteran? Would you like to develop skills that would lead to new employment or enhance your current employment? Or would you like to change your career pathway? The Industrial Maintenance Courses at John Jay Center for Learning have been approved by the State Approving Agency and meet the requirements for Veterans G.I. Bill for the educational, professional, or vocational objectives.

Call John Jay Center for Learning at 260.729.5525 for more information.

The Industrial Maintenance Training classes are now forming! John Jay Center for Learning has partnered with Jay & Blackford County industries to develop a training and certification program. The program will provide high quality trained employees for local industries. [Click here](#) for registration forms.

Mission:

The mission of Jay-Blackford Manufacturing Council at John Jay Center for Learning is to provide quality education and training that enables students to better their lives financially and to positively contribute to the communities in which they work and live.
