

2024 Summer VEX Robotics Camps

BeckyK, Tuesday 02 April 2024 - 12:53:52

ANNOUNCING:

2024 VEX ROBOTICS CAMPS!

NOTE: Camps are Full!

The poster features a green background with a white robot icon in the top left and a black robot icon in the top right. The John Jay Center for Learning logo is centered at the top. A large photo of two children working on a VEX robot is on the right. On the left, a green box contains the text 'NOW TAKING REGISTRATIONS' in red, '2024 VEX ROBOTICS CAMP' in white, and a definition of robotics camp. Below this, the dates 'JUNE 10 - 21' are written in a handwritten style. The bottom of the poster is a collage of logos from various sponsors.

NOW TAKING REGISTRATIONS

2024 VEX ROBOTICS CAMP

Robotics camp are educational programs that introduce young learners to the field of robotics and provide them with the opportunity to learn about, build, and program robots.
